Dependability

I will...

Keep my word

Be careful what I promise

Correct my mistakes

Do my fair share

Have a good attitude

Forever, O Lord, your word is firmly fixed in the heavens.

Psalm 119:89

Elephant Tooth Paste! WHAT? Yes, Elephant Toothpaste, made right here on the stage at Oroville Christian School's 2019 Science Fair!

We had one of the best Science Fairs in the recent past. 5th through 8th grade students really came up with great experimental projects and worked hard to research and reach a conclusion using the scientific method.

It was really encouraging to have one 2nd grade student and six 3rd-4th grade students participate in the science fair and begin learning early how to do an experimental project. All of these students earned blue ribbons, the highest level to achieve in a science fair at their grade level.

These students were: 2nd grade Dylan Holloway; 3rd grade Isabella Lopez, Tatum Martin, Alexis Daniels, Leonor Gutierrez, and Hadleigh McKillop; and 4th grade Cosette Hendricks

Our medal winners for grades 5-8 were:

5th Grade Physical Science: Gold-Madison Fox; Silver-Karisa Walborn

6th Grade Life Science: Gold-Roxy Thomas; Silver-Abby Rodney; Bronze-Wyatt Krampitz

6th Grade Physical Science: Gold- Ellie Osifo; Silver- Chase Reinhardt

7th Grade Life Science: Gold-Lindsey Ching; Silver-Roman Stutz; Bronze-Zohie Lonsberry

7th Grade Physical Science: Gold- Alissa Cervantes; Silver-Samantha Goff; Bronze-Challiyah Mulville

8th Grade Life Science: Gold-Wyatt Smith; Silver-Christopher Osifo

8th Grade Physical Science: Gold-Collin Jones

OCS has been supporting the sciences since its beginning. Science Fair is important to and relates to all the other academic disciplines. We are all very proud of all of the students.

We would like to make a special recognition to Randy and Evelyn Jones, the proud parents of 8th grade student Collin Jones. The Jones family has participated in the OCS Science Fairs a total of 10 times! I think they deserve a medal too! What will they do without science fair? Maybe become judges! They certainly qualify!

Happy Science,

Mrs. Cindy Hammonds

5/6 grade teacher/ Science Fair Coordinator

What's for Hot Lunch?

Thu: Hamburger or Cheeseburger

Fri: Chicken Sandwich

Mon: Taco Soup

Tue: Hot dogs

Wed: Pizza

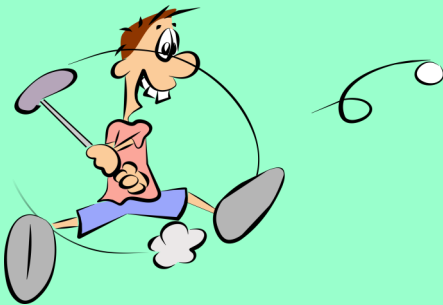

But those who hope in the Lord will renew their strength. They will soar on wings like eagles; They will run and not grow weary, they will walk and not be faint. -- Isaiah 40:31

“Fill the Gap”
