Spring is Here!

I look around and there is lush green grass and colorful blossoms all over. Spring has come! There is beauty all around. There are also allergies, running noses, sick children, and sick adults. Then I think, is there always the yucky with the good?

This time of year, I also think about Jesus, and what Easter is really about. Jesus went through a bunch of yucky stuff so I could get to the good. It is so humbling to think that Jesus, who never sinned, would sacrifice himself for someone like me. I'm so imperfect, it's hard to understand. In Bible we were learning how Jesus wants us to be more like children.

Children are also imperfect, but mostly full of love. Children are eager to learn, (not always from their parents) are accepting and want acceptance. Children hardly ever hold grudges (I need to be more like that.)

If I really think about it, yes, there usually is the yucky with the good. I can always take my allergy medicine and go out and smell the blossoms, and run in the lush green grass that God had provided.

But those who hope in the Lord will renew their strength. They will soar on wings like eagles; They will run and not grow weary, they will walk and not be faint. -- Isaiah 40:31

For a time of Prayer for
OCS and our Families

Open Enrollment to community begins March 30th. All fees will be going up after the 29th. Hopefully you have already turned in your reenrollment paperwork and fees. Tell your friends and families that they are welcome to turn new student applications beginning March 30th.

A Prayer to help us stay connected...

Help me Father to have an eternal perspective. Help me to see disappointments in light of what Jesus purchased for me at the cross. Help me to seize disappointments as opportunities to draw closer to you and not away from you. Help me to learn from them. Help them to shape me more and more into the image of your Son. Help me to see Jesus in them and to see his love and grace for me. In the name of Jesus I pray, Amen.
