## Cat Tales Generosity

You may have read about these amazing cats before, but just in case you didn't I will give you a little

background about them. There were two cats, and they weren't just any ordinary cats. They worked for the Christian Undercover Cats Org. known as the C.U.C.O. The oldest was orange with a pink nose and golden eyes. His name was Scruffy. The youngest was black with white paws, white belly, and a white moustache. His name was Mr. Moustache. Scruffy was training Mr. Moustache how to be a secret spy cat.

Scruffy found Mr. Moustache training on the Cat Scratch Ninja course. Mr. Moustache flipped into the air, karate chopped a stuffed rat, while of course landing on all four feet. "Nice kick", Scruffy said, "but you won't need it on your next mission." "I finally get to work in the field?" Mr. Moustache asked. Scruffy replied, "Yes, we have a human who needs to be reminded about generosity." Mr. Moustache said, "I find most humans generous; they feed me, give me treats, and even clean the litter box." Scruffy shook his head sadly, "There is a little boy who forgot the 5 *I Wills* that he learned at school: I will share what I have with others, save in order to be able to give, not expect anything in return, give of my time and talents, and be kind and encouraging."

*But those who hope in the Lord will renew their strength. They will soar on wings like eagles; They will run and not grow weary, they will walk and not be faint. -- Isaiah 40:31*

"Well I have a nice squeaky toy I have saved for a special occasion, I could give it to the little boy, and play with him. Most humans enjoy playing with my toys. And I could sit on his lap. I'm pretty good at purring until even the saddest human smiles. Maybe if I show the little boy what generosity looks like, he will do the same for someone else!", said Mr. Moustache excitedly. Scruffy looked at Mr. Moustache proudly, and said, "Your plan shows you will soon be a top C.U.C.O. agent!"
