## EFCA STATEMENT OF FAITH

*Adopted by the EFCA Conference on June 26, 2008 With Oroville EFC position statements December 2013*

The Evangelical Free Church of America is an association of autonomous churches united around these theological convictions:

### **God**

We believe in one God, Creator of all things, holy, infinitely perfect, and eternally existing in a loving unity of three equally divine Persons: The Father, the Son and the Holy Spirit. Having limitless knowledge and sovereign power, God has graciously purposed from eternity to redeem a people for Himself and to make all things new for His own glory.

### **The Bible**

We believe that God has spoken in the Scriptures, both Old and New Testaments, through the words of human authors. As the verbally inspired Word of God, the Bible is without error in the original writings, the complete revelation of His will for salvation, and the ultimate authority by which every realm of human knowledge and endeavor should be judged. Therefore, it is to be believed in all that it teaches, obeyed in all that it requires, and trusted in all that it promises.

### **The Human Condition**

We believe that God created Adam and Eve in His image, but they sinned when tempted by Satan. In union with Adam, human beings are sinners by nature and by choice, alienated from God, and under His wrath. Only through God's saving work in Jesus Christ can we be rescued, reconciled and renewed.

### **Jesus Christ**

We believe that Jesus Christ is God incarnate, fully God and fully man, one Person in two natures. Jesus-Israel's promised Messiah-was conceived through the Holy Spirit and born of the virgin Mary. He lived a sinless life, was crucified under Pontius Pilate, arose bodily from the dead, ascended into heaven and sits at the right hand of God the Father as our High Priest and Advocate.

### **The Work of Christ**

We believe that Jesus Christ, as our representative and substitute, shed His blood on the cross as the perfect, all-sufficient sacrifice for our sins. His atoning death and victorious resurrection constitute the only ground for salvation.

### **The Holy Spirit**

We believe that the Holy Spirit, in all that He does, glorifies the Lord Jesus Christ. He convicts the world of its guilt. He regenerates sinners, and in Him they are baptized into union with Christ and adopted as heirs in the family of God. He also indwells, illuminates, guides, equips and empowers believers for Christ-like living and service.

### **The Church**

We believe that the true church comprises all who have been justified by God's grace through faith alone in Christ alone. They are united by the Holy Spirit in the body of Christ, of which He is the Head. The true church is manifest in local churches; whose membership should be composed only of believers. The Lord Jesus mandated two ordinances, baptism, and the Lord's Supper, which visibly and tangibly express the gospel. Though they are not the means of salvation, when celebrated by the church in genuine faith, these ordinances confirm and nourish the believer.

### **Christian Living\***

We believe that God's justifying grace must not be separated from His sanctifying power and purpose. God commands us to love Him supremely and others sacrificially, and to live out our faith with care for one another, compassion toward the poor and justice for the oppressed. With God's Word, the Spirit's power, and fervent prayer in Christ's name, we are to combat the spiritual forces of evil. In obedience to Christ's commission, we are to make disciples among all people, always bearing witness to the gospel in word and deed.

### **Christ's Return**

We believe in the personal, bodily and premillennial return of our Lord Jesus Christ. The coming of Christ, at a time known only to God, demands constant expectancy and, as our blessed hope, motivates the believer to godly living, sacrificial service and energetic mission.

### **Response and Eternal Destiny**

We believe that God commands everyone everywhere to believe the gospel by turning to Him in repentance and receiving the Lord Jesus Christ. We believe that God will raise the dead bodily and judge the world, assigning the unbeliever to condemnation and eternal conscious punishment and the believer to eternal blessedness and joy with the Lord in the new heaven and the new earth, to the praise of His glorious grace. Amen.

## **Evangelical Free Church of Oroville Position Statements**

### *Marriage*

*Date Approved by Congregational Vote: December 8, 2013*

We believe marriage is the original and foundational institution of human society, established by God as a one-flesh, covenantal union between a man and a woman (gender at birth) that is life-long (until separated by death), exclusive (monogamous and faithful), and generative in nature (designed for bearing and rearing children), and it is to reflect the relationship between Christ and the Church. Our lord Jesus describes marriage in Mathew 19: 4-6 so is our view of marriage. A civil government's sanction of a union will be recognized as a legitimate marriage by the church only to the extent that it is consistent with the definition of "marriage" found in this Position Statement.

### *Human Sexuality*

*Date Approved by Congregational Vote: December 8, 2013*

We believe that God first created man and then woman, from the man, as a counterpart to the man. He then brought the woman to the man and established marriage as a one-flesh relationship between the man and the woman. We therefore believe that the context for sexual activity is the marriage of one man and woman.

Hence, sexual activities outside of marriage, including but not limited to, fornication, adultery, incest, homosexuality, pedophilia, and bestiality are inconsistent with the teaching of the Bible and the church. Further, lewd conduct, transgender behavior, and the creation and/or distribution and/or viewing of pornography, are incompatible with God's intention.

## 1. BOARD POLICIES

### 1.001 Vision Statement

Oroville Christian School seeks to glorify God by offering a high-quality Christian education to the families of the greater Oroville area.

### 1.002 Mission Statement

Our mission is to assist parents in preparing their children for life by introducing them to Christ, developing a sound biblical worldview, nurturing godly character and equipping them with strong academic skills.

### 1.003 Philosophy

The educational philosophy of Oroville Christian School is a God-centered biblical worldview that all truth is God's truth, and that the Bible is the inspired and only infallible authoritative Word of God, which contains this truth. God created all things and sustains all things. Therefore, the universe and man are dynamically related to God and have the purpose of glorifying Him. Man is a sinner by nature and therefore cannot glorify or know God except that the Holy Spirit draws man to salvation through His Son, Jesus Christ.

Our aim is to provide a Christian perspective, from which will come a balanced understanding and acceptance of a person's role in life at home, at work, at play and at worship. Our energies and resources promote high academic standards while helping students achieve creative and critical thinking skills. Our responsibility for the student encompasses the spiritual, mental, intellectual, physical, social and emotional areas, all of which are inseparable, and through which run the thread of spirituality. Thus, we will not teach the Bible compartmentally or on the intellectual level alone. A biblical worldview is woven throughout the total curriculum.

### Review and Revision of Philosophy Objectives

The above objectives shall be made available to each staff member and OCS parent upon request. The Administrator of OCS shall provide opportunity at least annually for the OCS board, parents and staff to review and suggest changes to the objectives. All changes will need the approval of the OCS board.

### 1.004 Core Values

OCS affirms the following core values:

- Scripture is recognized as the revealed Word of God and taught as absolute truth.
- Teaching the Bible as a core subject is essential to the academic curriculum.
- Parents have the primary responsibility for the education of their children.
- A Christian administration and faculty must model the love of Christ in all they do.
- Professional resources and ongoing training are vital for the development of OCS.
- OCS should be involved in a plan of consistent internal and external evaluation and assessment for continuous improvement.
- Organizational practices should glorify God in all areas including business relationships, financial development, marketing, fund raising events, personnel management, and government relations.
- OCS is committed to excellence in all programs.
- The opportunity for Christian schooling should be accessible to families as a means of evangelizing, nurturing, and disciplining students for a life of service to God and society.

### 1.005 Association of Christian Schools International (ACSI)

Oroville Christian School will be a continuing member of the Association of Christian Schools International. Membership fees will be escrowed from student pre-registration registration fees.

See Appendix A

## **2. FINANCIAL POLICIES**

### **2.001 Introduction**

Since Oroville Christian School (OCS) began in 1978, it has been the policy and the practice of the school to trust God to provide the necessary funds to operate. OCS is God's ministry. The school is not a church; rather, it is an educational ministry for the Lord and arm of the Evangelical Free Church of Oroville. The giving of money for the Lord's work is a spiritual matter, therefore, Matthew 6:33 undergirds the economic development and management of the school. "But seek first His kingdom and His righteousness and all these things shall be added to you."

### **Applications**

- A. We must seek first His Kingdom and His righteousness, not being diverted by anxieties over our needs, but striving to be a people of faith.
- B. We will tastefully remind contributors of unfulfilled pledges. Under no circumstances will this follow up be accomplished with pressure tactics.
- C. We will make provisions for diverse means of giving. Gifts may consist of valuables such as money, materials, time, skills, etc. We will also accommodate planned giving such as wills, living trusts and life insurance.
- D. We will maintain an attitude of confidence with our family of givers.
- E. We believe that accruing debts does not, in general, demonstrate the quality of being a good steward. In order to be good stewards, we will:
  - a. Take measures to assure that our needs do not originate in a lack of quality work.
  - b. Make careful preparations prior to initiating a new ministry, expanding a ministry, etc.
  - c. Use the gifts with precaution and honor before God and man. We will recognize we are administering what is His, not ours.
- F. The following philosophy will be followed relative to seeking and accepting gifts from unbelievers:
  - a. God does not specifically preclude or encourage accepting gifts from unbelievers.
  - b. We will avoid conditions or "strings" that may be attached to gifts from unbelievers.
- G. Prayer will be maintained as a key element of our financial policies.

### **2.002 Fund Raising Policies**

#### **General**

- A. It is the Lord's people who will support the Lord's work. Our request for support will be primarily directed to believers. We may request support from foundations, corporations, organizations or philanthropic individuals who support Christian education.
- B. Clubs, groups and organizations within the school may conduct various minor- fund raisers for a specific purpose (a minor fund raiser is an event not expected to generate more than \$5,000). Each group (band, classes, student council) is responsible for organization and promotion.
- C. Promoting fund raisers should not interfere with regular giving to the school.
- D. Fund raising projects must be coordinated and approved by the Administrator or designee. Questions about acceptable fund raisers will be directed to the Board.
- E. Procedures for requesting administration approval are:
  - a. Verify fund raiser date(s) on the fundraising wall calendar in the staff workroom. Only one fund raiser may go on at any one time.
  - b. Complete an OCS Fund Raising Proposal, available in the school office, and submit it to the school Secretary, who will then submit it to the Administrator for approval.
  - c. Approval/denial will be given within two school days.

- F. There will be no individual fundraising on campus for any reason.
- G. All funds raised will be maintained by the staff involved and the office. In the case of major fund raisers (those expected to raise more than \$5,000), allocation and distribution of funds will be directed by the OCS Board with consideration to the intended purpose from the group sponsoring the fundraising.
- H. All fundraisers of any size/amount will be subject to a 5% administrative fee to be deposited in the OCS general fund.
- I. The allocations of funds will be as follows:
  - a. 5% administrative fee, 10% HST general fund, 85% to individual student account(s).

### **Examples of Acceptable Activities for Fund Raising**

Activities may include, but are not limited to the following:

- Appeals to the school family and friends.
- Historical Sites Tour Dinner
- Golf tournament
- Silent auctions
- Hot Chocolate sales
- Bake sales

### **Prohibited and Discouraged Activities**

- Any game of chance or other activity that is or suggests gambling.
- Any illegal or morally questionable activity, such as the serving of alcohol.
- Holding a fund raiser in a place that will be serving alcohol while the fund raiser is on-going.
- Any non-school activity that requires or results in the OCS name being used in a commercial advertisement.
- Sale of merchandise by student to strangers (door to door, cold calls).

### **Historical Sites Tour (HST)**

- A. Any fund-raising activities that generate money for this event will be deposited into a designated account except in the following situations:
  - a. Fund raising dollars may be transferred from one OCS sibling to another.
  - b. Fund raising dollars may be transferred to an OCS student-in-need.
- B. In both situations, the individual(s) requesting one of the above options must present their request in writing to the Administrator for approval.
- C. All money earned from fund raising by a student who leaves OCS stays in the designated account. Under no circumstances will any earned money be given to a student or his/her parents upon leaving OCS. All money earned by a former OCS student will be transferred to the HST general fund or another designated fund on recommendation from the Administrator and approval of the Board.

### **Solicitation and Acceptance of Gifts**

As a matter of stewardship, our primary efforts in requesting gifts will be directed to God's people. Christians have the responsibility for and interest in accomplishing the Lord's work. We will also request gifts from those in businesses, organizations, foundations, and non-Christian individuals who support independent education, or are generally philanthropic, or because of some identifiable relationship (school vendor, grandparent, friend of family) may be supportive of OCS. Gifts will not be requested from any individuals or entities that generate their funds through illegal or undesirable activity as it creates the appearance of evil. Regardless of the source of a gift, no conditions may be attached by the donor or assurances given by the recipient without the prior approval of the OCS Board.

## **Memorial Gifts**

The term memorial gift shall mean a gift of outstanding service to Oroville Christian School (whether of property, time, or talents) that is selected by the Board for specific individualized commemoration. Memorial gifts encompass gifts commemorated in memory of living persons as well as those deceased. Primarily a memorial gift should commemorate the event for the purpose of glorifying God. A specific name is connected with the event only secondarily to reference a worthy example and to honor that example. In selecting memorial gifts, care must be taken to assure that the primary purpose is not lost or subordinated to other purposes. Therefore, attention to the following items should be given in order to assure that the commemorative significance is not trivialized. The Biblical purposes to be accomplished through memorial gifts are as follows:

- To serve as a perpetual reminder of God's faithfulness.
- To inspire thanksgiving and praise to God. To honor those donors to whom special honor is due.

## **Designated Gifts**

Regardless of the source of the gift, no conditions may be attached by the donor, nor can an individual be designated as recipient of a gift, monetary or otherwise. If a donor wishes to gift an individual, student or teacher, it should be done without involving OCS.

The discount will decrease by 5% every year until it disappears.

### **Employee Tuition**

OCS faculty and Administration have two options when it comes to tuition and fees for their own children. They may either: 1) write a check to OCS for the amount due, or 2) have their payments made by payroll deduction over a nine-month period (September through May). Employees will communicate with the OCS Bookkeeper regarding their preference.

### **Payment Options**

Payment options are described in the tuition agreement and are subject to change upon full OCS Board approval. All tuition payment options require tuition payments to be made on time without the family being billed. OCS families may choose one of the following payment options:

- 10-month plan
- 11-month plan
- Bi-annual
- Annual

Families who opt to pay a child's tuition in full by August 1 shall receive a 2% tuition discount.

### **Tuition Provisions**

- A. Tuition is due on the 1st of each month. A \$25 late fee will be assessed for accounts paid after the 10th of the month.

- F. Any check returned to OCS for any reason will result in a NSF fee of \$35 to the account of the check writer. This fee is subject to change and is used to pay the costs for additional bookkeeping.

### **Registration Fees**

- A. A place for a child is reserved in the school year once the registration fee has been received. A child may lose their reserved place if, upon a completed registration, the first tuition payment is not paid when due.
- B. Registration fees secure a child's enrollment on a first-come, first-serve basis. Positions cannot be secured without full payment of fees. If enrollment for a classroom is approaching capacity, students will be admitted according to the date of their original application until the class is full. Those next in line will be placed on a waiting list.

- C. All funds from registration received prior to the upcoming fiscal year shall be escrowed. The funds shall not be used prior to the beginning of the new fiscal year.
- D. The registration fee will be reviewed annually by the OCS Administrator, who will recommend any charges for approval by the OCS Board. Registration packets will include current fee schedules for enrollment
- E. The maximum enrollment fee a family shall pay will be for two children, regardless of the actual number of children enrolled.

### **Refund Policy**

Financial commitments must be made early in the planning for each new school year. OCS desires each family of returning students (and new students) to commit financially by the last business day in March of the preceding year. Registration fees will not be refunded if a family changes their plans for their child(ren) to attend. However, the fee will be refunded, minus a \$25 processing fee, if OCS refuses admission to a student or does not have room for a student and the family does not want to be placed on the waiting list. No portion of tuition shall be refunded for a student dismissed by expulsion for disciplinary reasons.

Since OCS has an obligation to its employees, students are considered enrolled for the entire year. Tuition fees are calculated on the basis of the entire year. If a student leaves the school for any reason, or enters after the school year has begun, then charges are prorated according to actual number of days enrolled.

### **2.005 Financial Aid Program**

  - a. serious disciplinary action for the student.
  - b. failure to maintain a 2.0 grade point average.
  - c. not adhering to school policy for attendance and tardiness.

## **Financial Aid Procedures**

### *Financial Aid Application*

All financial aid applications will be given to the Financial Aid Committee in a timely manner. They will determine eligibility and recommend acceptance or denial to the Board.

The application shall include the following:

- A. Prior year Federal Income Tax Return (1040A or 1040 with all schedules) and a statement of prior year nontaxable income.
- B. Estimated current year taxable and nontaxable income with explanation of major changes from prior year.
- C. Annual mortgage/rent, car/other loan payments, statement of unusual expenses and indebtedness in past which have resulted in current financial difficulties.

They will use the following criteria to determine both qualification and need for financial assistance.

- A. What is the level of family income? On the application, a family will be asked to state both their gross (before taxes) income from the previous calendar year (according to their Federal Income Tax return), as well as their present level of income. The gross income estimate will include wages, child support, dividend and interest earned and one-fifth (1/5) of any reported savings and investments.
- B. What is the number of children for which the applicant is totally responsible, whether attending OCS or still at home? Other dependents (i.e. aged parents) for which the family is financially responsible should be considered.
- C. Fulfillment of prior year commitment includes prompt and complete payment on account as well as faithful performance in any volunteer commitments made. A financial aid application for the upcoming year will be contingent upon fulfillment of prior year's financial obligations. Consideration will be given here for the family who, although delinquent in their account, took the initiative to regularly communicate with the school concerning their situation.

### *Family Financial Commitment Criteria*

The Bookkeeper will provide the following information to the Committee to help it determine financial aid:

- A. How long have the children attended OCS?
- B. To what extent has this family kept their payment commitments to the school?
- C. If they have not been able to make the payment promised, have they communicated to the Bookkeeper the reason why?
- D. How long has this family been delinquent?
- E. What are the factors involved in the delinquency, unemployment, medical, etc?
- F. Does the family have the resources to pay?
- G. To what extent have we worked with this family? Has the family followed the financial plan as recommended by the committee?

### **Emergency Tuition Deferrals**

A family who experiences a temporary financial crisis may apply for a tuition deferral on a short-term basis. The application will be reviewed by the financial aid committee and recommendation made to the full OCS Board to accept or reject the request. If the request is accepted, they will be permitted to remain enrolled for a minimum of one month to a maximum of one trimester while deferring tuition payments. If the family's financial situation has not improved within that time frame, they are encouraged to apply for financial aid for the remainder of the current school year. Any deferred tuition must be paid in full by the beginning of the next school year (July 1).

## **2.006 Procedures for Account Collection**

The following procedure is outlined for a family who does not follow through on their financial commitment.

- Step 1. Contact the family by phone and inform them of their responsibility before God to pay what is owed, to be a person of their word (integrity).
- Step 2. If the family does not respond, a letter such as the one in Appendix B is sent with the signature of the OCS Bookkeeper.
- Step 3. The Administrator will contact any families who are still unresponsive.
- Step 4. If the family is willing to make any kind of effort to make payments, OCS will continue to work with the family.
- Step 5. Documentation is maintained according to applicable statutes on record retention.

## **2.007 Withholding of Report Cards**

All that schools can legally withhold is the report card. Because cumulative files are considered as “legal documents,” OCS is obligated to send the file to the parent’s school of choice. A letter of declaration may be included. This would mean little to a public school, however if the student is transferring to another Christian or tuition-based school, it will provide current information.

## **2.008 Student Financed Income**

### **Student Council Income**

All funds raised by the student council will be used for student council activities.

### **Yearbook Income**

Funds received from sales, advertising and fundraising are used to offset production expenses. Students who help produce the yearbook shall receive a free yearbook.

### **Music Program Income**

All funds raised by the music program will be returned to the music program, and its coordinator will make suggestions to the Administrator where the funds will be spent.

## **2.009 Excess Income Over Expenditures**

Excess revenue over expenditures at the end of the OCS fiscal years shall be invested in an interest-bearing, liquid savings account (reserve account). The excess revenue will be determined by fiscal year findings. This fund will be allowed to accumulate until the balance reaches 1/12 of the operational budget of the current fiscal year.

Excess revenue beyond the 1/12 of operations authorized may be allocated by special action of the OCS Board with recommendation from the EFC Elder Board.

The account may be drawn upon to meet any budgetary shortfall due to a reduction in income as agreed upon by the Administrator and approved by the OCS Board. Extreme effort should be taken to reduce expenditures and balance the budget before withdrawals are made.

If the reserve account is drawn upon during any fiscal year to accommodate any shortfall, a budget plan or revision to replenish the fund within the next budget year shall be formed by the OCS Board.

## **2.010 Budgetary Shortfall**

The Administrator will monitor the enrollment of the school on a monthly basis and report the enrollment status to the board at the regularly scheduled meetings. Upon discovering a drop-in enrollment leading to a decline in budgeted funds, the Administrator in conjunction with the Bookkeeper and the Finance Committee of the OCS Board will discuss the particulars of the situation and determine an action plan. The action plan will need approval of the entire board. Efforts shall be made to keep OCS financially solvent while not jeopardizing the quality of education. Possible actions may include:

- Reduction in hours of support staff
- Reduction in support positions
- Draw reserved funds from an account whose sole purpose is to compensate for a budgetary short fall.
- Notify the EFC Elder Board for their consideration.

Any decision to terminate employment of an employee shall not consider the employee's gender, age, race, color or ethnic origin.

## **Corrective Procedures**

If an employee is not performing the given objectives of his/her position satisfactorily, the Administrator will adhere to the following procedure:

### **A. First Session:**

The Administrator will outline in writing the specific areas of concern. These areas of concern will be discussed with the employee and an attempt will be made to discern the root attitudes or problems and seek to scripturally counsel the employee accordingly. The employee should be encouraged to respond from his/her perspective. The employee and the Administrator will have a time of prayer together at the beginning and end of the conference. Within three (3) working days, the Administrator will summarize the content of the meeting to include:

- Specific concerns that need to be corrected.
- Root or attitude problems discerned
- Employee's response to the conference
- Specific steps of action to correct each problem area (with follow-up dates if deemed necessary by the Administrator.)

The Conference summary is to be signed and dated by the Administrator and the employee and a copy placed in the employee's file. An explanation of the purpose of the file is to be communicated to the employee.

### **B. Second Session**

The same procedure is to be followed as with the first session with five (5) exceptions:

- The Administrator should have a representative from the Board attend the second conference.
- The employee and Administrator should report on the progress they each feel has been made in following the steps of corrective actions outlined in Session One.
- Any new steps of action should also be documented at this time and the employee should be informed that failure to implement changes by the date assigned is cause for dismissal.
- Any item not mentioned in the first session will be discussed and a new plan of action will be formulated.
- The OCS Board will receive a copy of the conference summary.

## **Termination Procedures**

### **C. Third Session**

This is the termination session, whereby the employee is informed in writing that either his/her contract will not be renewed or that he/she will be dismissed immediately. The employee would also be given a letter to:

- Detail the reasons for his/her dismissal
- Summarize the content of prior conferences
- Review the steps of action not followed and problem areas not corrected
- State the school's position relative to unemployment compensation. The employee will be given a copy of the letter and receive an explanation as to how it will be used in future inquiries. This final session must include the Administrator, as well as a Board member. If the employee is an Administrator, the session is to include a member of the Board and at least one Elder.

### **Right of Appeal**

An employee has the option, after his/her termination session, to appeal the decision directly to the entire Board who will, in executive session, hear the employee's and the Administrator's positions, rendering a decision only upon a unanimous vote.

### **3.008 Resignation Policy**

An employee shall notify the Administrator in writing if he/she is unable to fulfill the terms of employment. Two weeks-notice is required. If the employee leaves prior to the two weeks, all remaining compensation is forfeited.

### **3.009 Abandonment of Contract**

When an employee is absent from his/her duties for more than three days without due approval, the Board may rule the contract to have been breached and declare the position open. This applies the same to hourly staff.

### **3.010 Reduction to Staff**

In situations where teacher contracts cannot be renewed because of reduction in staff, the Administrator shall use teaching effectiveness and overall value of the teacher's gifts, strengths, and general qualifications in making recommendations to the school board. A teacher not offered a contract renewal shall have seven (7) days after notification in writing to request a hearing with the school board. Approval of the full school board is required for any release of a teacher due to reduction in staff.

### **3.011 Exit Interview of Staff**

Prior to the interview, the Administrator will fill out the exit report and discuss the report with the school board. The Chairperson of the board should be present with the Administrator for the interview. The board Chairperson or board representative should take the lead in the interview. The board should give the departing employee the choice whether the Administrator is present. If the Administrator is not present, a second person from the board should be present primarily as a witness. Discuss the report with the employee. Allow the employee to make any comments or rebuttal on the form.

Both the interviewer and the employee need to then sign the form. If the employee refuses to sign, note that fact on the form, but still provide a copy of the form to him/her. The original form needs to be filed in his/her personnel file. After the interview, add on a separate paper any unresolved problems, suggestions, and compliments made by the employee. These separate comments should be attached to the original report to be filed. At the next board meeting, take time to summarize the exit interview for the full board. If there are significant findings, take time to discuss and appropriately deal with them.

### **3.012 Grievance Policy and Procedure**

This policy is intended to establish effective means of communications by which to channel personnel problems. It is in no way intended to deny the rights of any individual to seek a satisfactory solution. A grievance is based upon an event or situation that affects the conditions or circumstances under which an employee works, allegedly caused by misinterpretation or inequitable application of established policies or regulations. OCS cannot authorize anything other than arbitration before the believers for any kind of dispute that may exist. As believers we should waive all rights to take our cause before a court of law.

### **Definitions**

- The term "employee" may include a group of employees similarly affected by a grievance.
- A "party of interest" is the person(s) making the claim and any person who might be required to take action, or against whom action might be taken, in order to resolve the problem.
- The term "days" when used in this policy shall, except where otherwise indicated mean working days.

It is important that grievances be processed as rapidly as possible. The number of days as stated at each level should be considered as maximum, and every effort should be made to expedite the process. The time limits may be expanded upon mutual agreement. In the event a grievance is filed on or after June 1 that, if left unresolved until the beginning of the next school term, could cause harm to the employee concerned, the time limits set forth herein shall be appropriately reduced.

- C. Failure at any level of this procedure to communicate the decision on a grievance within the specified time limit shall permit the aggrieved employee to proceed to the next level.

This includes such things whose primary thrust defies Biblical standards.

This standard of conduct includes the use of social media. Substitute teachers must agree with the principles of Christian education.

It is the policy of the OCS Board that the most qualified staff will be used to meet any staffing requirements. Accordingly, the ideal substitute teacher will possess a teaching credential and have teaching experience, as well as meeting the spiritual qualifications found in the Teacher's Job Description. It is understood that teacher aides may temporarily take charge of a classroom while a teacher is absent from the classroom. The intention of the Board is that such instances will be on an occasional basis and will be for duration of no more than one (1) hour. Aides required to take charge of a classroom for longer than one (1) hour will be paid instructional pay.

If no substitute teacher is found from the substitute list, the Administrator may select an instructional aide to substitute. Aides may substitute for the regular classroom teacher for no more than two (2) consecutive days. If an aide is placed as a substitute teacher, they will be paid \$.50 per hour more than their current rate of pay as a Teacher's Aide. *Revised, 04/20/2020*

It should present a Christian philosophy.

The classroom teacher must preview resource materials for classroom use. Any question or doubt as to the materials' suitability should be referred to the Administrator. If it is decided to use material that is objectionable in part it should be presented to the class in a manner that apprises the students of the objectionable matter and how a Christian might deal with it. The material must always be able to be used in a positive way and support Biblical precepts. Parents will be given notification and the opportunity to remove their child, without reprisal, from viewing a film in question.

Film ratings shall be used with caution but shall be followed as to age restrictions. For example, "PG" rating is limited to adults and their children if the parents have given approval for them to watch it. Teachers cannot make that decision for parents. Also, a "G" rating does not necessarily mean that the film is proper to watch. Films are only rated when they are released for theater viewing. Many videos now being made for home use have no ratings and we cannot assume that they are okay for that reason.

Any media resource should not contain the following:

- Profanity

- Blasphemy
- Reference to sexual acts, graphic depiction of sexual acts and conduct
- Nudity
- Exalting human philosophies which are contrary to Godly principle

#### **4.002 Admission Policies**

OCS does not discriminate based on race, color, national and ethnic origin, or biological gender in the administration of its admission and educational policies and in other school administered programs.

##### **Admission**

Students are granted admission to OCS if all the forms have been filled out and fees paid. Students who begin their school career at OCS will be tested for school readiness. At the end of each year their records are reviewed to see if they: 1) are performing at or above grade level: 2) attend school regularly: 3) submit to school policy and regulations during the previous school year. Transferring students will be put on conditional status until their cumulative files are received to show that they meet the criteria listed above.

##### **Probationary Admission**

Students who are transferring into OCS or OCS students who are going into the next grade level, who do not meet the criteria above will be put on probationary admission. Probationary admissions are reviewed each grading period by the Administrator. If the student’s teacher and the Administrator agree it is highly likely the deficiencies will be corrected at the end of the next quarter, probationary admission can be extended.

##### **Denial of Admission**

Denial of Admission occurs when the necessary forms have not been filled out, the parent(s) refuse to sign the statement of faith or the parental agreement, or do not make the necessary registration fees. The Administrator will deny admission if the student is deficient in one or more the above-mentioned criteria at the end of the first week of school. The student will be denied admission to school on the following Monday. Denial of admission does not prohibit a student from applying again if deficient areas are corrected.

##### **Enrollment Priorities**

The first two months of the enrollment period, typically February and March, are reserved for current OCS students. During this time, the family will complete the Enrollment forms and return it to the office with the registration fee. Following this two-month period, all students will be prioritized according to the date their application is submitted. Priority will be given to:

- A. Current OCS students
- B. Children of faculty members
- C. EFC Members
- D. Children of missionary families on furlough
- E. Children of alumni

##### **Waiting lists**

Once a maximum number of students have been enrolled for a class, a waiting list will be started. If the list exceeds the minimum requirement prescribed by board policy, the Administrator may authorize the establishment of a new class. The Administrator will inform the school board of this action at the next regularly scheduled board meeting.

##### **Registration Fees**

The registration fee (non-refundable) is due when the completed admission forms are returned to the school office. The enrollment procedures cannot continue until the registration fee is received. Once the registration fee has been received, the Bookkeeper will arrange a tuition payment plan with the parents.

##### **Admission Procedures for Parents**

Parents must take the following steps to enroll their child(ren):

- A. Complete all necessary forms for applicable grade level.
- B. Pay the registration fee (non-refundable) and set up a payment plan.
- C. Sign the Parental Agreement – see Appendix D

### **Withdrawal Procedures**

Parents who desire to withdraw their student(s) from OCS must complete the one-page withdrawal form and have an exit interview with the Administrator in order to officially end the business relationship. The Bookkeeper will contact the family to settle all accounts. The family will continue to be charged until the student is officially withdrawn.

### **4.003 Class Size**

The OCS board must determine the minimum class size to adequately underwrite the annual school budget. Generally, 16-20 students per class are necessary just to cover the teacher's salary and benefits. The absolute maximum of students per class is 24. The Administrator is given the authority to adjust these figures where unusual circumstances warrant. The school board will be given a list of the enrollment in each grade during the re-enrollment period and at the start of the school year.

### **4.004 Combination Grade Classes**

Combination grade classrooms are sometimes necessary for the prudent planning of both the faculty and student needs, where enrollment does not justify a single class for each grade. The following factors must be considered when establishing a combination classroom in order to maintain instructional soundness.

- A. Number of students should not exceed the maximum of 24 set by board policy. Exceptions must be weighed very carefully. Ideally, combination classes would have less than the maximum.
- B. The Administrator will carefully consider the teacher's style, experience, and training for combination grade teaching.
- C. Physical classroom must have adequate working space and resource materials to accommodate both grade levels.
- D. If a class exceeds the maximum number of students (24) the teacher will be compensated, \$100.00 per student over the limit, per month.

### **4.005 Entry Age**

A student applying for entrance into Kindergarten must be five (5) years old on or before September 1 of the school year in which he/she is to be enrolled.

A student applying for First Grade must be six (6) years old on or before September 1 of the school year in which he/she is applying.

### **4.006 Immunization Policy for Preschool and Elementary**

The school's immunizations policies comply with current State Law.

### **4.007 Communicable Childhood Diseases**

Upon contracting any of the following diseases, a child must have written consent from either a physician or the Health Department to return to school, or be subject to administrative approval for re-admittance:

- Chicken Pox
- Pinworms
- Measles
- Scabies
- Mumps
- Ringworm
- Pneumonia
- Impetigo

- Whooping Cough
- Pink Eye
- Lice

Students admitted to Oroville Christian School shall be protected from influences negatively affecting their well-being and educational progress. Therefore, OCS will exclude student applicants who are currently infected with a life-threatening virus.

#### **4.008 Child Abuse and Neglect**

OCS employees are mandated reporters under California law and are expected to report, in accordance with the law, instances of suspected child abuse. OCS shall comply wholeheartedly with the California Child Abuse Reporting Law (Penal Code Section 11165-11174.5). It is understood that suspected instances of child abuse must be reported immediately by phone to an appropriate child protective agency and that a written report (Department of Justice form required) must follow within 36 hours of receiving the information regarding the incident.

#### **4.009 Harassment, Sexual or Other**

Any form of harassment, including bullying and sexual harassment on the part of a student is absolutely prohibited. Any incident of possible harassment should be brought immediately to the attention of a teacher, office personnel, Administrator, or school board member. The matter will be thoroughly investigated by the Administrator in confidence. After reviewing all facts, the Administrator will decide concerning whether or not reasonable grounds exist to believe that harassment has occurred. Disciplinary action, up to and including expulsion will be taken against a student who is found to have engaged in harassment.

*Harassment includes:*

- Physical conduct: touching, assaulting, impeding, or blocking movement.
- Verbally threatening or intimidating another person.
- Verbal conduct: making or using derogatory comments, epithets, slurs, and jokes.
- Verbal abuse: graphic verbal commentaries about an individual's body, sexually degrading words used to describe an individual; suggestive or obscene letters, notes, or invitations.
- Verbal sexual advances or propositions.
- Visual conduct: leering, making sexual or obscene gestures, displaying sexual or obscene gestures, objects or pictures, cartoons, or posters.

#### **4.010 Curriculum Instruction**

The OCS curriculum guides should contain skills, strategies, concepts, and content for each grade level. They should offer guidelines for teaching the grade level and sequence and include enrichment activities.

##### **Textbooks**

The Administrator will appoint a curriculum selection committee as needed. The textbook adoption criteria will be determined and written in a document setting guidelines for the committee. The committee will contain representation from the teachers. The committee will screen potential textbooks to determine how closely they align with the philosophy and objectives of OCS. In addition, the scope and sequence of each series should be considered along with a list of other criteria.

In selecting textbooks, both Christian and secular publishers may be considered. An evaluation form shall be used to guide this process. It is recognized that Christian publishers provide a distinctive Christian perspective and whenever possible will be given preference in the selection process.

OCS textbooks (non-consumables) are loaned to its students. Children are responsible for their texts and are responsible for any damage or loss.

Textbooks should be issued to each child the first week of school. The child's name, textbook number, and condition of the book should be recorded. All hard cover books must be kept covered at all times.

### **Textbook Replacement Fees**

- A. If a textbook is lost or damaged so that it must be replaced, the cost of the textbook plus shipping must be paid in full by the party responsible for its loss or damage.
- B. If a textbook shows signs of wear due to neglect, the fee is to be determined at the Administrator's discretion.
- C. If a textbook is damaged or badly soiled, but still usable, the fee for use will be determined by the Administrator.

### **Literature**

All literature will be grade appropriate. Literature in the upper grades will be taught with analysis and evaluation, contrast, and comparison, within a framework of Biblical thinking.

### **Human Growth and Development Education**

5th through 8th grade students receive instruction in Human Growth and Development. Boys and girls will be separated or combined as specific discussion dictates. Classes are voluntary. Parents who do not wish to have their son/daughter receive the instruction must inform the school in writing. Parents will be provided with opportunity to meet instructors, review curriculum materials, and ask questions regarding the program.

### **Special Education/Learning Disabilities**

Special needs students are eligible for admission when the OCS program is deemed appropriate for their needs. However, we do not offer a special education class or services. OCS teachers are equipped to deal with a normal range of intelligence and learning styles; however, they cannot help where special diagnosis and treatment are needed. Teachers are trained to recognize some learning disabilities and can make suggestions and referrals when needed. OCS is not prepared at this time to enroll students diagnosed with moderate or severe ADD (Attention Deficit Disorder) or ADHD (Attention Deficit Hyperactivity Disorder) or serious learning disabilities.

### **Music Education**

Instrumental music is mandatory for students in 5th grade. Students in 6<sup>th</sup> through 8<sup>th</sup> grade may elect to continue in the band program allowing for students to learn together. Parents and their students are responsible for maintaining the instruments.

### **Physical Education**

Physical education is provided for each OCS student during the regular school day. Students will have PE outdoors or indoors depending upon the weather and the teacher's discretion. Teachers and support staff are responsible for the curriculum. All activities are planned in the best interests of the child's safety.

Every student is required to participate during PE. A student may be excused up to five (5) consecutive days at a time with a note from a parent. This may be done in cases of minor injury and/or sickness from which the student is recovering. No student will be excused more than five consecutive days unless there is a note from an attending physician. If a note from a physician is received, the student will be excused from PE until a note from the physician indicates otherwise.

A student is required to have a pair of gym shoes to use specifically for PE. Shoes may be kept at school. Any student who does not have the necessary equipment for gym class will not be allowed to participate and their nonparticipation will be reflected in their grade. The teacher will determine necessary equipment. Fifth through eighth grade students are required to purchase a PE uniform.

## **Technology**

Students will be given the opportunity to use computers/technology in the classroom. Equipment not in the classroom should be reserved at least one day in advance. Any equipment maintained by the school will be available on a first come basis. It should be returned to the proper storage area or to the office on the day it is used. Students should not be allowed to use or operate equipment if they have not been instructed in the proper use of it. Any equipment in need of repair should be reported to the office.

Equipment may not be taken off campus without approval of the principal.

## **Additional School Activities**

7th and 8th grade students are offered activities apart from the regular curriculum. These activities include: Flag Worship Team, Classroom and Library Helpers and Student Government.

## **Bible Versions for Classroom Use**

The following Bible versions are approved for classroom study and memorization:

- King James
- New King James
- English Standard
- New American Standard

## **Bible Memory and Character Trait Program**

Students at OCS will be involved in Bible memorization each year. Each student will be given the opportunity to learn at least one verse per week. Along with verse memorization, a character trait will be presented to students each month.

## **Evangelism of Students**

OCS shall accept students from non-Christian families providing the families agree with the Statement of Faith and the purposes of the school. It is the desire of OCS that every student have a personal relationship with Christ. It shall be the policy of the school to give a clear presentation of the Gospel to each student during the year. Each teacher should become aware of where each child in his/her classroom is in their relationship to Christ.

## **Prayer**

Prayer is vital in our program of Christian training. Students at OCS are taught the importance of establishing a consistent daily prayer life. Therefore, prayer is woven throughout the school day.

## **Community Service**

OCS students must participate in at least one service project each year. Service opportunities are those activities that benefit our community and various organizations here and around the world.

## **4.011 Light House Library**

The Oroville Christian School Library was created to provide quality resources for the whole family, to help grow the families in their faith, to support teacher instruction and enrich learning by the students. Each class, K – 8th, will have a scheduled library time.

## **Goals**

- A. To have enough books to meet or exceed normal accreditation standards.
- B. To assist both church and school in their instruction.
- C. To teach 3rd through 5th graders recognized library skills.
- D. To be sure all new and existing books come within the guidelines of our statement of faith.

## **Acquisition Policy**

Books for the library are purchased with funds from donations, budget, and fundraising projects. Selection of materials should be based first on the following criteria:

- A. What benefits the school curriculum.
- B. What would benefit the students for free reading/
- C. What will enhance and encourage the church family.

When the library book fund has sufficient funds, books can be purchased from catalogues, bookstores, ACSI Convention, on-line and from preview boxes. Donated materials are subject to the selection process. They are not just put into the library because they are free. They are accepted with the condition that the library will dispose of all materials that are either duplicates or are not suitable for use. If the donor would like to have unused items returned, they must make arrangements convenient for both the donor and librarian.

### **Book Selection and Screening Policy**

All materials selected for the Lighthouse Library must reflect the principles and philosophy of the Word of God. Books must be in good physical condition, generally sturdy enough to withstand up to five (5) years of student use.

The librarian is responsible for selecting and screening all books. The librarian may request and use help in screening the materials. Each person screening will read the screening policy and be required to write a statement about each book or movie as to why they think it does or does not conform to our standards. The librarian may choose to refuse any material.

#### Fiction Books:

- Biblical truth must be upheld
- Good must be considered good and evil considered evil.
- Heroes must have good moral character. They may make wrong choices at times but these choices are portrayed as wrong.
- Heroes should cause us to desire to be more like Jesus.
- Doctrine taught must be consistent with OCS's doctrine.
- Evil is only presented enough to teach a lesson, but not glorified.
- Evil is presented purposefully and not too graphically.
- Evil is made to appear both dangerous and repulsive.
- The plot should be logical and the resolution believable and satisfying.
- When dealing with fantasy and science fiction, the line between reality and fantasy needs to be appropriately clear enough that the reader knows which is which.

#### Non-Fiction Books:

- Books must uphold Biblical truth.
- Evolution must be taught as a theory.
- Books should contain a minimum of evolution and humanism. If possible, these are to be marked with "Evolution Alert" stamp on the page and a disclaimer in the front of the book. The disclaimer says the following:
  - Just because this book is in our library does not mean that it is without some humanistic slant. Scientific hypotheses, theological concepts, philosophy, and morality presented within the book need to be held accountable to the Truth. Some books do not make it into our library because of their obvious unsuitability. Even titles and subjects sometimes reveal an anti-biblical stance. Nevertheless, it is simply impossible to screen all anti-moral and anti-truth concepts from every book. Therefore, we urge parents to help their children to learn to discern between good and evil by holding this book up to the holy standards of the Word of God. Either reject the book and let us know why or take your child carefully through the book.

- Source documents need warning labels if they contain unsound doctrine that is contradictory to Biblical teaching or OCS’s statement of faith.
- DVDs and Videos follow the same screening criteria. They are labeled with a warning sticker placed on the outside of the case advising of evolution or humanistic teaching. DVDs and Videos that cover topics deemed too mature for primary audiences (such as abstinence curriculum) will be kept in a separate place and include a label asking for parental guidance.

### **Policy for Objectionable Material**

If a parent or church member has an objection about a material(s), the material(s) will be temporarily removed from circulation and the person will be required to fill out a form about their objection. The form will include the following information:

- A. Name of person objecting and the date.
- B. For what grade is the material intended.
- C. Material title and author.
- D. Barcode.
- E. Was the entire book read, if not, what sections were read.
- F. What is the nature of the objection, with page numbers and reasons.
- G. How does the material disagree with Biblical principles.
- H. What might result in a student reading the book.
- I. Recommended suggestions.

### **Procedure for Reviewing Objectionable Material**

After a complaint form has been received by the librarian (or in the case of no librarian, the Administrator), the librarian and the student’s teacher shall review the material(s). If the material is recognized at that time to be in obvious violation of the Selection Policy, the material will be permanently removed from the library. The librarian (or Administrator) is responsible to respond to the person objecting letting them know what action was taken. A signed and dated copy of the complaint and the response is to be kept on file in the library. The following questions will be used to determine if the complaint has validity:

- A. For what grade level was this available? Was this appropriate for that level?
- B. If evaluating for language, was it appropriate to the culture or situation(s) occurring in the book? Was the language appropriate for the OCS library?
- C. If evaluating for content, what part was objectionable? If it was the title, what was the content suggested by the title (i.e. Witch of Blackbird Pond?)
- D. Did it show consequences of negative, unwise, or sinful choices?
- E. Was evil treated as good instead of evil?
- F. Were the situations described too graphic?
- G. Was the subject matter contrary to Scripture?
- H. What is your recommendation for this book?

### **Damaged Books**

We endeavor to keep all books and materials in good repair. Library/textbooks and materials are meant to be used. They also need to be respected and cared for. Damage will occur and repairs will be necessary over time. The library/school will cover the cost for normal use. The borrower will be assessed for damage that they cause.

### **Circulation Policies**

Circulation guidelines are as follows:

- A. Except for Reference Books that remain in the library, books may be checked out for two weeks at a time and may be renewed two or more times.
- B. Books may not be renewed if someone else has reserved that book.

- C. Books will not be checked out to those with existing fines or overdue books.
- D. Books need to be returned to the librarian, the box just inside the library door, or the box in the school office.
- E. Books may be turned in or fines paid to the office only when the library is closed.
- F. Books are considered overdue the day after the due date on the computer.
- G. Overdue books will be fined at a rate of 10 cents a day or 40 cents a week.
- H. Books that are not returned will be considered lost and the person will be billed the cost of replacing the book, including shipping and a \$10 handling fee.
- I. Reference books with the “Library Use Only” sticker may only be checked out to go to the copy machine in the office.
- J. Students are added to user list upon entering school and are removed from it when their enrollment is no longer current. Parents can check out books with the student’s number for easy tracking.
- K. Church families are added to the list when they show an interest in checking out books.
- L. Registered students and their families have summer checkout privileges.

### **Check out and In Procedures**

Materials may be checked out during regular school hours Monday through Thursday. A **trained** student or volunteer may operate the computer. Books are checked in every morning from the book box by the door. Books are assessed for damage and repaired as needed. Fines and overdue notices are printed on Tuesday afternoon of each week to be ready for Wednesday’s Eagle Express. Other circulation procedures are in the Librarian’s Computer Manual.

### **Library Assistants and Volunteers**

Adult volunteers must abide by the OCS dress code while serving on campus. They need to be trained to use the library software and show an adequate level of competence before they are allowed to work without guidance. Some ways of assisting are the following:

- A. Checking in and out books
- B. Shelving
- C. Inventory
- D. Straightening
- E. Cleaning both books and shelves
- F. Putting up or taking down bulletin boards

### **Inventory**

The library will keep a yearly inventory of all books and materials in May just before the end of school.

### **Budget**

The library purchases are made from the Library line item in the OCS budget. Money in the library designated account comes from gifts, fundraisers, and the sale of old textbooks.

### **Hours of Operation**

Please refer to the current Parent/Student Handbook for specific information regarding the library schedule of OCS students.

### **4.012 Instructional Support**

Aides, and volunteers can make an important contribution to our educational program at OCS. Instructional aides are under the direction and supervision of the teacher. Their list of duties is on file in the Administrator’s office. Parents and/or community members who are able to volunteer in the classrooms are under the direction and supervision of the teacher in whose classroom they volunteer.

## Tutorial Help

Students will sometimes need additional help in a subject. The first place for the student to turn to for help is the teacher. OCS teachers can give help to that student during normal school hours. Students can also be paired with peers who understand the material and can help. For students with a severe problem, an outside tutor may be needed.

## 4.013 Assessment

Grading may include both subjective and objective criteria. Individual teachers will determine their own grade requirements and clearly state their criteria in written form to parents at the first meeting of the year. Students will be notified of the teacher's expectations during the first week of school. Teachers will file a copy of their grading criteria with the Administrator. Standards should be fair, understandable, and attainable. In grading, the following criteria may be considered:

- Citizenship
- Daily work
- Quizzes and tests
- Special projects, research papers, etc.
- Extra credit assignments

## Meaning of Grades

- "A" indicates outstanding work.
- "B" indicates more than the basic requirements are being met.
- "C" indicates that the basic requirements are being met for the grade level.
- "D" indicates that the child needs help and is struggling to meet the basic requirements.
- "F" indicates the child is failing in that area and not meeting the requirements of that grade level.

## Grading Scale

A+	98-100	C+	77-79
A	93-97	C	73-76
A-	90-92	C-	70-72
B+	87-89	D+	67-69
B	83-86	D	63-66
B-	80-82	D-	60-62
		F	Below 60

## Progress Reports

All students receive a progress report at the mid-point of the first trimester. Progress reports will be sent out thereafter as needed. A report should also be sent anytime during the trimester if there is a significant drop in performance. Progress reports may also be used to report problems in the area of discipline, work habits or attitudes. Parents are required to sign an acknowledgement that they have received the progress report.

## Report Cards

Report cards are issued three (3) times a year, once each trimester.

### *Procedure:*

- A. Specialty and elective teachers will report grades to the grade level teacher or homeroom teacher no later than 8:00 a.m. on the Monday following the end of the grading period, unless otherwise noted.

- B. Report cards are to be completed by 8:00 a.m. on the Tuesday following the end of the trimester reporting period, unless otherwise noted.
- C. Report cards will indicate the total number of absences and tardies in the attendance box.
- D. Teachers must retain a copy of the original report card and store them in his/her classroom during the year.
- E. A copy of the entire report card at the end of the year will be placed in the student's cum file.

### **Incomplete Grade**

Teachers may issue a grade of “incomplete” if the teacher feels there are justifiable reasons for the work to be late, such as student illness. An “incomplete” grade changes to “F” if the work is not completed within an amount of time agreed upon by the teacher, parent, and Administrator. In no case will such time exceed six (6) weeks.

### **Parent Conferences**

Conferences are used to keep parents informed about all areas of their child's development. Every parent should conference with the classroom teacher. Parent/teacher conferences can be called at any time during the school year at the request of a parent, a teacher, or Administrator.

Conferences should be well planned and held in a location where all persons will be comfortable and can talk in a calm unhurried manner. Teachers should have samples of the student's work to show the parent and have in mind details of behavioral patterns, which will be discussed. Since conferences are important to parents as well as the teacher, a “we” approach will help to have a successful conference. Conferences will only be scheduled before or after school, or during days set aside for conferencing.

### **Achievement Tests**

Achievement tests are administered as a means of identifying areas of weakness and strengths that a child has in the overall school program. Grades 1-8 will take a standardized achievement test. Parents will be notified of the results of the achievement test within thirty days of receipt by the school. Revised 04/20/2020

### **4.014 Accelerated Promotion**

A sincere and conscientious effort is made at the time of admission to place students at the proper grade/age level. On occasion, because of a student's superior academic performance, parents will request that a student be advanced a grade level beyond the normal promotion. Accelerated promotion or “skipping a grade” is not always a beneficial practice nor in the best interest of the student. The nature of the curriculum at OCS is such that a student will usually miss critical concepts and skills by skipping a grade. The school Administrator must also consider other factors, such as those that relate to maturation, social development, and student success in comparison to other gifted and talented students. OCS subscribes to the view that students should move through the planned curriculum in a step-by-step fashion in a way that allows for a steady academic and social development. The Administrator will carefully evaluate any request for accelerated promotion weighing the best interests of the student, the ability of the school to meet the student's needs, the concerns of the parents, and school policy. The Administrator, after a careful evaluation of factors such as academic and social development, and conferencing with the classroom teacher, may promote a student to their assessed grade level.

## **4.015 Retention Policies**

### **Introduction**

The decision to retain a student is, ideally, a mutual decision between parents and the school staff. In certain cases, retention is a necessary and appropriate tool in the educational strategies used for the development of children. Retention is a serious action with a potentially long-range impact on children and their families. The goal of our school is to minimize the need for retention through effective developmental screening. Early communication between the home and school, combined with vigorous intervention efforts, will always be made to reduce the potential for retention. However, retention will be recommended in certain circumstances. The prayer of OCS would be that a student would meet with success in the classroom and develop age-appropriate social and emotional behaviors through his/her retention experience. Typically, retention decisions will be more frequent among early elementary children. This is based on research that clearly indicates that children benefit far more in their academic progress when retention occurs during earlier years. Our policy regarding retention is that a child may not be retained more than one time while enrolled at OCS.

The following guidelines will be used:

- A. If after careful observation during the first trimester, a teacher feels retention is a possibility, he/she will consult the Administrator. The teacher will then schedule a parent conference to discuss the child's academic and developmental progress. The possibility of retention as well as specific plans for remediation will be suggested at this conference. The classroom teacher and parents will implement suggested learning strategies for the student. Two-way communication between home and school will take place regularly.
- B. The Administrator may appoint a child study team to identify areas that need to be addressed as well as design an individual learning plan which includes appropriate intervention methods for normal growth to take place.
- C. In some cases, in spite of appropriate interventions, retention will still be necessary. A recommendation for retention will be made to the parents by the classroom teacher with the Administrator's final approval. The conference, with teacher and parents will be scheduled at the beginning of February.
- D. If the parents do not agree with this recommendation, a further conference will be held with the parents, teacher, and Administrator. The desired result of this conference is to have parental consent for retention.
- E. If the parents and OCS do not agree to retain a student, and the school has provided adequate written evidence for the need to retain, the student shall be considered retained by OCS. Parents have the option of home schooling or removing the student to another school.
- F. Appeals must be made in writing to the school board, and the Administrator will read the appeal from the parents at the next regularly scheduled board meeting. The school board will respond in writing through the Administrator within two weeks of the board meeting.
- G. Decisions to retain a student will be made by the last school day in March.
- H. Retention will be implemented to help make it a positive and successful experience for the student.
- I. During the second trimester in which a student has been retained, the Administrator will meet with the classroom teacher and parents to evaluate the progress of the year and the impact of retention. This report will be placed on file in the student's cumulative record.

### **Procedures for Intervention and Evidence Gathering**

- A. Regular communication between home and the school will take place prior to the decision to retain a student so that all parties are informed of the evidence leading to the decision.
- B. Interventions may include, but are not limited to:
  - Child study team interventions such as one-on-one tutoring.

- Testing for learning disabilities by a qualified entity not associated with OCS.
  - Physical examination by a licensed care provided (i.e. ophthalmologist, speech therapist).
  - Diagnostic educational evaluation from an outside source (i.e. Sylvan Learning Center).
  - Summer school.
- D. Evidence to retain a student for retention may include, but is not limited to the following:
- Teacher recommendation based on a student’s classroom performance (students with a yearly average of 60% are candidates for retention).
  - Reading and or math skills more than one grade level lower than the class average.
  - Developmental age, not grade, as determined by proper testing such as Gazelle, as well as teacher anecdotal observation.
  - Terra Nova scores rank in the 35th national percentile or less in reading and/or math.
  - Chronological age.

**4.016 Graduation**

The kindergarten celebration and 8th grade graduation will be held at the end of the school to celebrate the successful completion of the student’s first and last years at OCS. The OCS Board will grant a diploma to any student successfully completing the OCS curriculum and fulfilling all responsibilities. Diplomas will be signed by the Chairperson of the Board and the School Administrator and shall bear the date of issue.

**4.017 Homework**

Homework assignments should be clearly understood by the students. Sufficient classroom instruction must be given so that the student is thoroughly familiar with the procedures involved in the assignment. It should be possible for the student to work independently, with little or no assistance from parents and to complete an assignment with a reasonable length of time. Homework should be meaningful and not homework for homework’s sake. Guidelines for homework are:

- To practice a newly learned skill.
- To gain more information on a given subject.
- To apply knowledge to a new situation (i.e. use of dialog punctuation in a story).

**Absenteeism and Homework**

Students who will be absent due to a vacation will not receive class work before they leave. Assignments will be given to a student upon his/her return. All work must be completed and returned as determined by the classroom teacher. The student may have to absorb some academic losses for those lessons that can only be completed due to discussions in class or projects completed in the classroom. The following table shows the grading for late work, excused and unexcused absences.

Student is <b>present</b> when Assignment is given	<u>One Night Assignments</u>	<u>Long Term Assignments</u>
	1 day late = 75% max. grade 2 days late = 0% grade	1 day late = 85% max. grade 2 days = 75% 3 days = 65% 4 days = 55% 5+ days = 0%

This information will include the name and phone number of the doctor to be notified in case of an emergency, but also the name, address and phone number of family members and alternate persons who may pick the child up. It is the responsibility of the parents to see that this information is on file and kept current. OCS personnel are trained in first aid and the school is equipped with first aid supplies in case of minor injuries. In case of serious injury or illness, the parents and medical emergency personnel will be notified. In the case of a minor illness, the parents will be notified and asked to pick the child up.

The Administrator must approve all exceptions. The Administrator will be informed if a child has an excessive number of absences, tardies, and/or early dismissals. Failure of a student to attend school will be considered an absence. Each absence will be marked “excused” or “unexcused”. When a student is absent, parents must turn in a note with the following information:

- Date(s) of absence
- Specific reason(s) for absence
- Signature of parent(s)

If an absence is known ahead of time, the parents are responsible to contact the classroom teacher and office personnel. - Any student with unexcused absences of more than twenty percent of any trimester is subject to retention or dismissal at the discretion of the Administrator.

The program shall be planned to present a minimal amount of interference with the academic program. It shall function to involve not only the participants, but also the student body and school community. Sportsmanship is an important part of this training. We expect our coaches, our players, and our students to represent OCS in a manner that is respectful of others on and off the field of play. The Administrator is directed to implement these policies at all levels of competition.

## **4.022 Discipline**

### **Introduction**

The discipline policy of the OCS is intended to establish training that develops self-control and character, as well as an attitude of submission to authority.

### **Discipline Policy**

Basic responsibility for discipline rightly belongs in the home, but at school and school events, children are under the parent-delegated authority of the school. The goal is for the child to see the school and the home as a strong, unified team. OCS will seek the counsel of parents and support parental discipline as much as possible, and hope for the same response from parents.

Each student is expected to maintain a high level of behavior and personal responsibility requiring very little disciplinary action by the school. Each teacher will explain the expectations and consequences to students and parents at the beginning of the school year. The following are behavior expectations and behaviors that range from inappropriate to severe misconduct.

### **Suspension**

#### *Introduction*

Serious misbehavior, such as disrespect, or fighting, may result in a direct Office Referral or an immediate suspension that bypasses other discipline procedures. At the discretion of the Administrator, a student may be suspended from school for up to five days, pending a parent conference. The suspension may be “in house” (at OCS, out of class) or at home, depending on the severity of the problem. Suspended students may be readmitted only after a successful parent/Administrator conference.

Assignments due during the suspension receive a zero grade, but they must be completed satisfactorily and handed in to the teacher prior to readmission to school. Suspension from school disqualifies a student from Honor Roll for the trimester in which the suspension occurred.

A student who is suspended from school more than twice during the school year will be expelled for the remainder of the school year subject to OCS Board review.

The reasons, which would give cause for suspension, include, but are not limited to the following:

- Forcible interference with the rights of others
- Conduct that hinders the good order and discipline of the school
- Verbal abuse of others
- Possession, control, sale, administration, use, dispensing or compounding of any narcotic or dangerous drug
- Damage to or forceful seizure or possession of school property or personal property of others
- Possession and/or use of a weapon such as knives, firearms, etc.
- Dishonesty in any form
- Habitual non-conformity to school rules
- Disrespect to faculty, staff, or other adults who may be on campus, as well as other students
- Use of profanity

#### *Expulsion*

A student may be expelled from school for a serious breach of conduct and/or repeated problems with behavior.

#### *Expulsion Procedure*

- A. In the case of such an offense, the Administrator will suspend the student and prepare the matter to be presented to the Board.
- B. The Administrator will present the facts to the Board and recommend an action. The Board will make the decision concerning expulsion.

- C. The Board has the authority to expel any student for non-compliance with the rules and regulations.

## **Probation**

### *Introduction*

Probation is invoked when a student has a serious problem. It allows a student an opportunity to correct his/her problem. If s/he does not improve to a satisfactory level, s/he will be dismissed and withdrawn from school. The reasons for probation are as follows:

### *Academic*

- Insufficient academic progress
- Failure of the parents to get recommended professional help

### *Attitude*

- A rebellious spirit, which is unchanged after much effort by the teachers
- A continued negative attitude and bad influence upon the other students

### *Disciplinary*

- Continued deliberate disobedience
- Committing a serious breach of conduct inside or outside of school which has an adverse effect upon the school's reputation
- Failure of the parents to support the disciplinary procedures of the school

### *Probation Procedure*

The probation will take place after review of the reason for probation. A conference (telephone or in person) is held with parents, teacher, student and Administrator to give notification and explanation of the probation.
