Not be lazy

Whatever you do, work heartily, as for the Lord and not for men.

Colossians 3:23

In The Beginning

We are God's Masterpiece. He has created us anew in Christ Jesus, so that we can do the good things

~Ephesians 2:1

The Preschool students are learning about creation. We wonder how God could make this world and everything in it. We are so thankful for the animals He made. We marvel at the beautiful plants, the sun, moon and stars. We accept with a simple faith that He loves more than anything. We are His masterpiece. God looked at his creation and said, "This is good."

But He looks at us with love and says that we are His masterpiece. He set a plan in place to bring us back to Him. He gave up His Son, Christ Jesus, so our sins could be forgiven. He longs for us to come back to Him with childlike faith believing in His mercy.

A child asked me, "How did God make our world?"

"He is so powerful. He spoke the words and it happened," I replied.

She smiled, accepted my answer, and ran off to play.

I pray that we can all accept God's word with child-like faith. I pray that we can live our lives sharing His love with everyone.

In His Service,

Mrs. Sylva

But those who hope in the Lord will renew their strength. They will soar on wings like eagles; They will run and not grow weary, they will walk and not be faint. -- Isaiah 40:31

What is HST anyways?

Historically, every other year, the Jr. High students (next HST will be Spring 2020) take a 5-7 day 'History Sites Tour', visiting U.S. National Monuments/Museums, our Nation's Capitol, and they learn about events that shaped our country to what it is today. The cost of the trip is not cheap but the lessons and memories made are priceless.

Starting October 2018 our HST group will be raising money with various fundraisers to help reduce the expense of having to pay for it individually. We are asking for **your** help to support our current 6th and 7th grade (2019-2020 Jr. High students) endeavors to raise money for an exciting and momentous trip ahead.
