

THE EAGLE CHALLENGE

Hello Students and OCS Families! We hope and pray that all of you are safe and hanging in there. 2020 has been quite challenging for all of us and we want you to know that we are praying for your entire family and a BETTER tomorrow! As COVID and now the fire and smoke has caused limited 'in person fellowship', we thought we'd bring the fun right to you! Through turmoil and hardship, PTPF wants to create a way in which our students can have something to look forward to when they are finished with their studies and share their school pride, creativity, and be able to work together as a family! **Each month** there will be a unique and exciting challenge for everyone in the family to participate in! Students will submit a **picture** of their 'creation' to the OCS office for PTPF and OCS teachers to judge for the win. Just for participating, students will be entered into a drawing to win a free lunch with Principal Bates! The winner(s) of each challenge will receive a different prize ranging from free gift cards, cool OCS Swag, and Dinner for the entire family! So get that school work done and get ready to be a part of

THE EAGLE CHALLENGE!

OCTOBER CHALLENGE

ARE YOU A LEGO MASTER BUILDER?

WITHOUT using any instructions or following a kit, one must use his/her lego building skills to make an animal or character reflective something learned from the Bible. Please make it at least the size of an apple or larger.

Submit a picture of just your creation to office@ocseagles.com by October 26 and we will post the creations on our school FB page for everyone to enjoy looking at! Three winners will be chosen by Friday, Oct. 30!
