## ACSI Teacher Convention

Many of my students were wondering why we didn't have school on Thursday and Friday, Sept. 28th & 29th. I told them it was a time for the teachers and staff to be "students". Ten of us went down to Roseville for a remarkable two days of motivational speakers, worship, learning new strategies, ideas, and methods to serve our students and families even better. The ACSI (Association of Christian Schools International) Professional Development Forum was such a blessing professionally, spiritually and personally.

All the staff would agree that we all gained some new skills and ideas for doing our job better. Mrs. Turner learned more about running the office and keeping our cumulative files. Miss Ward learned some strategies for budgeting and working with the school board. The teachers were able to choose specific classes to help within their own classrooms. Each one of us walked away with a few new strategies to help minister to our students and families at OCS.

It was a refreshing time to grow spiritually as well. We started each keynote session with a time of praise and worship. It was awesome to hear so many voices singing heartfelt worship to our LORD. There were over 900 participants from Christian schools within California and Hawaii. We were reminded that we have a significant opportunity to show God's love to the student's and families we interact with. As teachers, we are a major influence in our student's lives and we need the Holy Spirit and His power and strength to do it well.

Personally, it was a blessing to get to spend time with my co-workers outside of school. Driving down, going out for meals and staying in the hotel in addition to the conference time, allowed me to get to know each staff member on a deeper level. We laughed together, cried together and prayed together. I am very thankful for the opportunity to have attended the conference this year. Thank you parents, students, and board members, for your support of this amazing chance to grow as a staff member.

**A Prayer to help us stay connected...**

Lord, I know remembering Jesus is more than just thinking about facts I can recite from His life. Remembering is letting His words and actions change the way I live. Continue to teach me through your Word that I can focus on You no matter what the circumstance. Your Word can accomplish anything in my life and in the life of others—so help me to be bold and realize my limitations are nothing compared to the power of Your Word. Keep pushing me along the way. In Jesus' name, amen.
