Run the Race with Endurance

Please don't lose motivation to complete the school year. We are down to the wire and you and your students can do it. Our teachers are working very hard to provide distance learning. They are not on vacation. They are still planning, prepping, filming and taking part in google meets so that your child can have the best possible education while in quarantine. They would rather be in their classrooms interacting with your child!

Why should your child continue to study daily with the way we are grading? A good friend of mine put it this way, "We go to school to learn. Learning is still happening whether the grading system changes or stays the same. The purpose of doing homework is not to receive a grade, rather to learn." The same applies for those of you being the facilitators of your child's learning.

Keep striving for excellence and put your whole heart and soul into teaching your child to the very end. Run the race with endurance.. Honor God.. then you can take pride in the fact that you all did the best you could do.

Miss Ward

Celebrating Teacher Appreciation Week
May 4~8th

Please feel free to leave a card or note of encouragement at the office for your Teacher.

Don't forget to return your library books!
And your Eagle by May 13th

Please remember to return your Chromebook and Band instruments by May 20th.

HEALTHY KIDS = HAPPY KIDS

When kids exercise, their brain releases a chemical called endorphins which makes them feel happier. It's just another reason why exercise is cool.

- 1) Jump rope
- 2) Jumping jacks
- 3) Clean-up race
- 4) Hallway bowling
- 5) Ride your bike.

We must receive your Chromebook and Band instruments before we can release your final report card!

But those who hope in the Lord will renew their strength. They will soar on wings like eagles; They will run and not grow weary, they will walk and not be faint. -- Isaiah 40:31
