Availability

Being Ready and willing to help.

I Will...

Put others ahead of myself.

Find a way to help, not a way to hide.

Be ready when I am called.

Be glad for the chance to serve.

Get permission before making commitments.

Let each of you look not only to his own interests, but also to the interests of others. (Philippians 2:4)

What's for Hot Lunch?

Thu: Chili

Fri: Pizza

Mon: NO SCHOOL

Tue: Mac & Cheese

Wed: Hamburgers

Science Fair is Coming!

January 26th, 6:00 – 7:00

Spaghetti Dinner 5:00pm – 6:00pm

Students are preparing for the 2017 Science Fair. Our excited Kindergarten and 1st grade students are going to *dazzle* you with their 100 Day Collections and say a verse to you when you stop by their display. They are budding scientists and on their way to exploring God's world!

5th – 8th Grades will share their own science projects they've been working on at school and at home. Their projects will follow the Scientific Method using information from their research and experiments. Be sure to stop by as many displays as possible and encourage our young scientist! This year we have younger students who are joining the fun and working on their own experiments to share!

****There is a change in the way we acknowledge the student's for Science Fair. All students who participate in the science fair following the *Scientific Method*, will earn a Blue / first place; Red/second place; or participation ribbon. These will be given to the classroom teacher to go home with the student the following Friday. Students, who will go on to the regional ACSI Science Fair, will be announced *in chapel on Friday, January 27th*.**

Make a night of it! You can purchase a meal ticket for a **SPAGHETTI DINNER**. The dinner starts at 5:00pm and ends at 6:00pm. See the flyer in the Eagle Express to **PRE**

OCS Eagles

Isaiah 40:31

But those who hope in the Lord will renew their strength. They will soar on wings like eagles; They will run and not grow weary, they will walk and not be faint. -- Isaiah 40:31
