Bible

Terra Nova Testing begins April 1 and runs through April 12, however most classes will attempt to finish the exams in the first week. It is very important for your child(ren) to be present during the testing periods each day. Most testing takes place during the morning hours of school.

Some things to consider during testing week(s):

- ~Students need a good night's sleep each day.
- ~Students should eat a healthy breakfast (with some kind of protein included).
- ~Students should be on time each day.
- ~Please do not schedule any doctor or dentist appointments during the mornings hours during our testing week.

Your help in these areas will be greatly appreciated.

But those who hope in the Lord will renew their strength. They will soar on wings like eagles; They will run and not grow weary, they will walk and not be faint. -- Isaiah 40:31
